

NEIGHBORHOOD NEWS

FACEBOOK GROUP

We are working to get our Hawthorne Place community more involved and informed, and will be updating you more frequently of upcoming news and information via our **Facebook group** and by email.

Please encourage your neighbors to join our Facebook group, as we plan to host a Facebook live video feed during our next HOA meeting. This will allow those residents unable to attend the meeting to do so in the comfort of their own home, especially during these Covid-19 times.

The current board is greatly overworked, so I have volunteered to help facilitate engagement among our community. I'm hoping we can try to get over 75% of our residents to join - that would be incredible!! Either search Facebook for "Hawthorne Place Owners Association" or just type in the URL box: www.facebook.com/groups/hawthorneplacenorman

When joining, you will have to answer both questions in order to be accepted to the group.

Thank you again and don't forget to tell your neighbors!

POOL IS OPEN!

It's the good news you've all been waiting for, and we are so excited to share with you the recent improvements made to our community pool:

Awning Repair - After 20 years of being buried in the dirt, the wood beams finally started to deteriorate and become a problem. New beams are now off the ground and on cement anchored post brackets.

Concrete Patio Addition - Our HOA added cement to the west side covering the grass inside the pool fence completely. This gives us more room to spread out and relax at the pool this summer!

IT'S POOL SEASON

Enjoy more pool seating space with our extended patio, and of course, *remember to always practice social distancing*. There is hand sanitizer available as well. Please notice the updated pool rules:

Pool Hours: 10am-9pm

Social distancing rules
